# Once you're here

HEN IT COMES TO THE PHOTOGRAPHY part of your holiday, it's an à la carte menu. If you want to shoot from dawn to dusk, we'll do that. Or just at dawn and dusk, if you prefer. We can fill all day, every day for you but maybe you'd prefer to spend some time exploring our library of photography (and cookery) books. Or getting some lessons from Niall. Or just walking the quiet lanes through the traditional bocage landscape that surrounds our house and meadow. If you or your travelling companion are more interested in food than photography, Charlotte will spend time sharing her award-winning chocolate-making skills, as well as her patisserie secrets, and visit markets and local producers with you.

We have two hides (blinds) overlooking well-stocked feeding stations and a drinking pool. While there are fewer birds than in winter, the drinking pool becomes an attraction in a dry spring. While the soils of much of our area are mainly acidic, there are local outcrops of lime with the expected variety of interesting plants and insects. As the local forests leaf out, our favourite summer visitors return: hoopoe; bee eater; nightingale; turtle dove; red backed shrike and melodious warbler. We have seen all of these species in and around our meadow and work to bring them within photographic range. Going a little further afield, we will explore the banks and riparian woodland of the Loire - the last wild river in France, just 20 minutes from Les Saumais, but a world apart.

Of course, there is a wide range of motifs we can work with, from portraits of local characters to an abandoned chateau and other some "urbex" locations, forests and lakes. Importantly, you have the time to do things in a considered way—and benefit from Niall's professional experience gained during a 30 year career. We'll chat on Zoom before your visit to devise a programme for you.

# You take the pictures, we take care of the rest

ITH MANY YEARS OF HOSTING EXPERIENCE BEHIND US, we've become pretty adept at ensuring everyone is happy and has what they need. But for us, there is no better venue to extend our particular brand of hospitality than in our charming home and secluded meadow here in rural Nièvre.

When you stay with us, you have the use of the top floor of our house - about 50 sq. m- which comprises a bedroom with two single beds that can be fixed together or kept separate, each with a double duvet and electric blanket, the lounge, and a shower room with toilet. A wall and curtains separate the bedroom from the lounge. There is a 55" Sony OLED screen to which you can connect your laptop to view your photos. Of course, you're welcome to come downstairs and be with us while we get things ready for dinner, even if it's just to relax in front of our wood burner. This is where we eat together, often joined by French or Dutch friends, some down from Paris, others who live in Saint-Seine year-round. We think it makes conversation more interesting and wide-ranging.

You are also welcome to use our Scandinavian-themed 15 sq. m log cabin in garden as a place to study, relax or process, out of the house. Les Saumais is your home-from-home- except that we take care of things for you so you can concentrate on the important business of relaxing and creating. It's hard to do one without the other.

You needn't worry about driving either; Niall will take you to all the locations you want to visit as well picking you up from Le Creusot TGV and returning you there at the end of your Retreat.

## Questions, answered

This all sounds great but one-to-one service like this never comes cheap. So, how much

for a week, "Chez-

vous"?

Per person, GBP 2300, regardless of the season.

Yes, except your travel from home to Le Creusot and back, and alcohol.

And that includes everything you mention here?

Yes. We have the time to figure out what you want to learn and which teaching method suits you best. During a 30 year career, Niall has had lots of practice at teaching to all skill levels and is famously open about how he creates his own work.

Yes, we have super-fast fibre optic broad-band

I don't have much faith in our rail services these days. Can I just drive to you instead?

Yes, of course. The journey from Calais (avoiding Paris) takes about 9 hours. From Cambrai, about 6.

Can you take more than two guests at a time?

For Chez-nous Retreats, we take only two guests.
But for our others, we can take up to 10.

Where can I learn about availability?

Is there wifi?

From our website, mail shots and here. Or just call us. I have quite specific dietary needs. Is that going to be a problem?

Charlotte has wide experience of producing delicious food for those with allergies and intolerances.

Just tell us beforehand

I like the sound of these holidays, but to be honest, I'm not much of a photographer. I'd like to learn though, but is this ok for beginners?
